

Husqvarna S 13

S 13 is a quiet-operating single-phase HEPA dust collector to match the power cutter Husqvarna K 3000, hand held grinders, small grinders 5-7", small scarifiers and drywall sanders. This professional dust extractor is an all-around construction vacuum for picking-up a wide range of building materials and debris. Equipped with a tested and certified HEPA H13 filter. Features include Jet Pulse pre-filter cleaning and vacuum meter for filter control. The non-marking wheels are puncture free and lock at the front. The Longopac® bag hose system ensures simple, dust-free bag changes.

- Phases **1~**

FEATURES

Want to take a closer look? Learn more about the product in depth by exploring its features and benefits.

Efficient filtration system

The three separate filtering stages result in longer working time between filter cleaning. The dust is filtered through a cyclone chamber, which separate the heaviest parts, up to 95% of the dust, before the washable main filter. The HEPA micro filters are individual tested and certified to capture 99.99% of the remaining silica dust in the respirable fraction (0.3µm). +

Easy and efficient filter cleaning

The Jet Pulse filter cleaning system ensures high continuous airflow thanks to easy and efficient cleaning of the conical main filter without opening the machine.

Durable design

Corrosion-resistant steel clamps, welded frame with dust bag platform and durable steel handle make it ready to serve for many years.

Easy to transport

The welded frame enables easy transportation by resting the machine on the frame.

- High Efficiency Particulate Air filter
- Easy-to-read airflow monitoring

- For demanding industrial applications
- Clean and simple bag change

SPECIFICATIONS

Motor

Phases	1~
Voltage	230 V
Rated current	5,2 A
Max. vacuum	220 mbar
Rated input power	1.2 kW

Dimensions

Product size height	1100 mm
Product size length	680 mm
Product size width	400 mm
Weight	29 kg

Specifications

Air Flow	200 m³/h
HEPA filters 99.99% at 0.3 microns	1
Max. vacuum	220 mbar
Water lift	90 in
